**REUNION GOLD ANNOUNCES CLOSING OF C\$70 MILLION BOUGHT DEAL FINANCING**

**Longueuil, Québec, September 26, 2023** – Reunion Gold Corporation (TSXV: RGD; OTCQX: RGDF) (the “**Company**”) announced today the closing of its previously announced “bought-deal” public offering of common shares which was conducted by a syndicate of underwriters (the “**Offering**”). The syndicate was co-led by BMO Capital Markets (“**BMO**”) and SCP Resource Finance LP, with BMO acting as sole bookrunner, and included Cormark Securities Inc., Paradigm Capital Inc., Canaccord Genuity Corp., Stifel Nicolaus Canada Inc. and iA Private Wealth Inc. (collectively, the “**Underwriters**”). The Underwriters acquired an aggregate of 152,200,000 common shares in the capital of the Company (the “**Common Shares**”), at a price of C\$0.46 per Common Share for gross proceeds of approximately C\$70 million. The Company has granted the Underwriters an option, exercisable at the Offering price for a period of 30 days following the closing of the Offering, to purchase up to an additional 15% of the Offering to cover over-allotments, if any.

“We are very pleased to have successfully closed this financing in what we know is a challenging market for investors,” said Rick Howes, President and CEO of the Company. “We are also delighted to welcome La Mancha Investments S.à r.l. as a shareholder of the Company. Their support and participation in this financing was a critical piece that will allow us to continue to advance the Oko West Project towards the next stage of development. We also appreciate the continued support of our largest shareholders and welcome new shareholders to our Company.”

The Company intends to use the net proceeds from the Offering for continued advancement of the Company’s Oko West Project in Guyana and for general corporate purposes.

The Offering was completed by way of a prospectus supplement (the “**Prospectus Supplement**”) dated September 20, 2023 to the Company’s short form base shelf prospectus dated August 16, 2023 (the “**Base Shelf Prospectus**”). Copies of the Prospectus Supplement and Base Shelf Prospectus are available on SEDAR+ at [www.sedarplus.ca](http://www.sedarplus.ca).

The Common Shares issued pursuant to the Offering have not been, nor will they be, registered under the United States Securities Act of 1933, as amended, and may not be offered or sold in the United States or to, or for the account or benefit of, U.S. persons absent U.S. registration or an applicable exemption from the U.S. registration requirements. This press release shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of the securities in any jurisdiction in which such offer, solicitation or sale would be unlawful.

**About Reunion Gold Corporation**

Reunion Gold Corporation is a leading gold explorer in the Guiana Shield, South America. In early 2021, the Company announced an exciting new greenfield gold discovery at its Oko West project in Guyana, where in June 2023, after 22 months of resource definition drilling (at the Kairuni zone), the Company has announced an initial Mineral Resource Estimate containing 2.475 Moz of gold in Indicated resources

grading 1.84 g/t Au and 1.762 Moz of gold in Inferred resources grading at 2.02 g/t. The mineralization in the Kairuni zone appears to be open-pit amenable with a strong grade profile. The Company has undertaken a number of studies relating to the delivery of a Preliminary Economic Assessment by the end of Q4 2023 or early 2024. In addition to Kairuni, there are several additional priority exploration targets on the Oko West project area that the Company is also exploring. See the Company's technical report titled "NI 43-101 Technical Report Oko West Gold Project Cuyuni-Mazaruni Mining Districts, Guyana" with an effective date of June 1, 2023 for additional information about the Mineral Resource Estimate.

The Company's common shares are listed on the TSX Venture Exchange under the symbol 'RGD' and trade on the OTCQX under the symbol 'RGDFF'. **Cautionary Disclaimer Regarding Forward-Looking Statements**

This press release contains forward-looking statements and forward-looking information within the meaning of Canadian securities laws (collectively, "forward-looking statements"). Statements and information that are not historical facts are forward-looking statements. Forward-looking statements are frequently, but not always, identified by words such as "expects", "anticipates", "believes", "intends", "estimates", "potential", "possible" and similar expressions, or statements that events, conditions, or results "will", "may", "could" or "should" occur or be achieved. Forward-looking statements and the assumptions made in respect thereof involve known and unknown risks, uncertainties and other factors beyond the Company's control. Forward-looking statements in this press release include statements regarding the expected terms and conditions of the Offering, the intended use for the net proceeds from the Offering, the receipt of stock exchange and other regulatory approvals for the Offering, the anticipated jurisdictions for the Offering and the expected documentation for the Offering as well as statements regarding beliefs, plans, expectations or intentions of the Company. Mineral exploration is highly speculative, characterized by several significant risks, which even a combination of careful evaluation, experience and knowledge may not eliminate. Refer to the Company's most recent annual information form dated May 9, 2023 for a description of such risks.

Forward-looking statements in this press release are made as of the date herein. Although the Company believes that the assumptions and factors used in preparing the forward-looking statements in this press release are reasonable, undue reliance should not be placed on such statements. The Company undertakes no obligation to update publicly or otherwise revise any forward-looking statements, whether as a result of new information or future events or otherwise, except as may be required by law.
